Pen-y-pound, Abergavenny, Mon, NP7 7RP

...it pays to be bilingual • mae'n talu i fod yn ddwyieithog

Does your employer, whether it's in the public, private or voluntary sector, provide you with Welsh classes in the workplace?

No?

Why not?

Public sector organisations have a statutory obligation to offer services in Welsh and English to their customers, and many organisations in Gwent have taken the initiative to provide Welsh classes for their staff in order to work towards meeting this obligation such as:

- Torfaen County Borough Council
  - Caerphilly County Borough Council
  - Blaenau Gwent County Borough Council
  - Newport City Council
  - Monmouthshire County Council
  - Heddlu Gwent Police
  - South Wales Fire and Rescue Service
  - Office of National Statistics
  - Gwent Health Trust
- ...and many many more

It also makes **GOOD BUSINESS SENSE** for private organisations to provide courses for staff as more and more people are learning Welsh, are proud of their language and want to use it in their daily lives! We can offer introductory courses, meet and greet courses or short sessions to help with pronunciations.

The Regional Welsh Language Centre, based at Coleg Gwent can provide you with Welsh in the Workplace classes which offer:

- Welsh tuition at work with full nationally recognised qualifications
- Additional support courses throughout the year e.g.
  - a) Saturday Day Schools
  - b) Weekend Courses
  - c) Residential Courses
  - d) Summer Schools

As well as providing opportunities for Welsh learners to network and meet other learners to share their experiences.

We can cater for all your needs!

Courses can be tailored to suit the needs of the organisation and learners can either follow a slow-track course of 2 hours per week or a fast-track course of 4-6 hours per week. We can also provide shorter taster courses.

For more information about Welsh in the Workplace courses, please contact:
