

Gwaith Cartref Dosbarth Derbyn

Rydyn ni wedi bod yn gwneud symiau adio ymarferol yr wythnos hon. Fel gwaith cartref hoffwn i chi wneud adio syml gan ddefnyddio eitemau o amgylch y tŷ neu o'r ardd ee pasta, pegiau, dail, cerrig, tuniau, paent ayyb. Mae croeso i chi gofnodi eich symiau yn eich llyfrau gwaith cartref, neu drwy dynnu lluniau a'i bostio ar ein cyfrif Trydar.

We have been doing some practical mathematical activities this week, focusing on addition. For this week's homework, could you please complete simple addition sums at home using household items, food or natural items from the garden e.g. pasta, pegs, leaves, stones, tins, paint etc. You're welcome to record your work in your homework books or by posting pictures on our Twitter account.

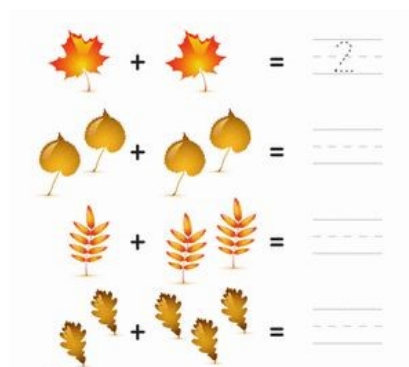

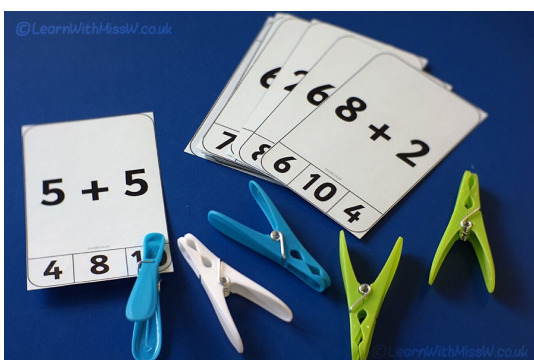

Diolch yn fawr.
