Dear Parents / Guardians,

Firstly, I would like to thank you for choosing Ysgol Gyfun Gwynllyw for your child's Secondary education. I would also like to take advantage of the opportunity to introduce some members of key staff to you and explain the transition plans for this year. If you haven't chosen Gwynllyw as your first option and you would like your child to join in the activities, they will be made very welcome.

Secondary Staff Responsibilities

During the transition year, Mr Gareth Evans, Head of Year 7 with responsibility for transition will be working with the schools to ensure that your children have the opportunity to get to know other pupils before starting in September. I, Mrs Rhian Dickenson, Assistant Head, will take an overview of transition activities and work alongside Mr Evans and the primary schools to support the process. Of course, many of you will have already met our Head teacher Miss Elan Bolton and you will have a further opportunity to meet with everyone in your primary schools in the spring.

Transition Days

For those of you who have older pupils in the school, the transition process will be a little different this year. The pupils will come to Ysgol Gyfun Gwynllyw a number of times throughout the year to follow a range of activities and get to know as many staff as possible.

Transition Trip

A trip will be going to the Acorn Centre in Llangorse on Monday May 11th until Wednesday May 13th 2020. Gwynllyw staff and your child's current teachers will be going on the trip with the children. The trip will include activities on Llangorse Lake and activities such as a climbing wall, zip wire, target sports and more. I attach an information leaflet from the Centre. The cost of the trip will be **£115** which includes food, activities, accommodation (in a tent) insurance, staffing and transport. The trip will be a fantastic opportunity for us to get to know our new pupils, for them to feel confident attending the trip with the support of their primary teachers and, of course, have a lot of fun. I'm sure that you will agree that this trip will be extremely valuable.

The primary schools will be collecting money through the usual payment systems. In order to secure a place, **a deposit of £30 will need to be paid by Monday, February 3rd. Then, the total amount will need to be paid by Friday, 20th March 2020.** You are welcome to pay the full amount or in installments during this period. If there are any issues paying for this trip, please to not hesitate to discuss this with the school.

The pupils will be given the opportunity to go to Glanllyn at the end of year 7 to stay in the Urdd Centre, Bala.

School Uniform

Additionally, we will be organising for the company Ruggedbug to come to the primary schools in order that you can order school uniform and try on before you buy. If you would like an estimate of the cost of school uniform, this is the website www.ruggedbug.co.uk.

Question Time

Also, pupils from year 7 will be coming out to the primary schools towards the summer term to discuss their experiences of Secondary School. Your children will be able to ask questions about anything that they would like to know about day to day school life.

We are looking forward to working with you during the year. If you have any questions, please do not hesitate to contact us. Merry Christmas and a Happy New Year.

Yours sincerely,

Mr Gareth Evans
