Dear Parent/ Guardian,

As you are aware, your child has been allocated a place in the Reception class at Ysgol Gymraeg Cwmbrân. Ordinarily, we would be contacting you to arrange a taster session for your child and to provide you with details of a meeting with myself, the Reception teachers and other external agencies. As things stand, we are unable to arrange these for obvious reasons but please be assured that your child nor you will be disadvantaged in anyway.

Starting school full time is a big step for any child and, in order to ensure the process goes as smoothly as possible, we have prepared a digital presentation for you to discuss with your child and to familiarise them with the school and the Reception teachers. In addition, it contains information for you as parents/guardians and we do hope that it will answer some of the questions you might have.

You can view the presentation on: https://spark.adobe.com/video/gV4ncqgE153Fc

Some of you may already have children who attend the school and are familiar with the school. Clear and effective communication with our school community is a priority for us. We are available to discuss any queries or concerns you may have. Please send a message via the 'Contact Us' section of the school website if you would like to discuss anything.

We ask you to look at the following links which will take you to the school website where you will find a copy of our Reception Handbook and Prospectus. If you would like to receive a hard copy, please contact us through the website.

We will keep you updated of our intentions and please make sure that you check the school website and school Twitter account regularly. The details are at the top of the page and you will find guidance on how to subscribe to Schoop here:

https://www.ysgolgymraegcwmbran.co.uk/docs/associated/file_6596_1567599485.pdf

Rest assured that your child will receive excellent support and will have a very enjoyable time in our Reception class and for the duration of their time here with us. We are very much looking forward to welcoming our new pupils into our school community.

Take care and stay safe.

Yours sincerely,

C N Evans
